Pujiang Zhenhui Crystal Handicrafts factory(Lianyungang Flourishing International Trade Co., Ltd) is specialized in producing and selling various kinds of crystal gifts including laser crystals, crystal awards, blank crystal blocks and so on, we start this business since 2003.

We have 3 laser machines and 6 production lines of crystals which enable us to produce customer's order quickly, we also have experienced designers and workers who can design very attractive designs for customers and produce very nice quality, the material we use is grade A K9 optical glass which is very pure and the blank blocks we produce are suitable for all laser machines.

Due to our reasonable prices, high quality and humanistic timely service, more and more customers from Europe, the USA and Southeast Asia establish long-term business relationships with us and develop with us together.

Our service purpose is: everything we do is for your consideration.

Meanwhile, we have four promises to our clients:

1. We give 100% compensation to all the broken products when our customers receive the goods.
2. We give 100% compensation to all the unqualified products if there are.
3. We give 100% compensation to the products as long as customers can point out the flaw on our products.
4. We promise to answer customers' any questions at fastest speed within 24 hours.

All customers around the world are warmly welcome to contact us and establish business relationship with us, we will be a very good partner for you.
